Were Comin Your Way
Comin Your Way
Comin Your Way
Comin Your Way

When flame burns like a furnace (Burning)
And the fire starts to spread
Now if it's too hot to handle (Burning)
The hunger must be fed

Cause Were Comin!
Were Comin!
Again!

No ya can't hold the back the passion (Burning)
Or the power to excite
When wheels are set in motion (Turning)
Ride along and hold on tight

Cause Were Comin!
Were Comin!
Again!

Cause Were Comin
Were Comin...

(Chorus)

All night long we're gonna party on
We're gonna show you how to do it.
So come along ya gotta have some fun
We're gonna take you to the limit.

(Solo)

When you feel the juices flowing (Yeah)
Then it's time to take a bite
You see the embers going (Burning)
Gonna set the world a light

Cause Were Comin!

Were Comin!

(Chorus)

All night long we're gonna party on
We're gonna show you how to do it.
So come along ya gotta have some fun
We're gonna take you to the limit.

All night long we're gonna party on
We're gonna show you how to do it.
So come along ya gotta have some fun
We're gonna take you to the limit.
