Just when I thought It was safe to go outside You came along I said take me for a ride You said something We nearly came to blows I said somebody better Get me one of those

Don't talk to me Don't talk to me Don't talk to me Don't talk to me

You got to know There's only you and me It's such a shame We don't know who we want to be What can I say When you tell me I'm your man

Those were the days honey Catch me if you can

Don't talk to me Don't talk to me Don't talk to me Don't talk to me

Don't talk to me Don't talk to me Don't talk to me Don't talk to me Don't talk to me Don't talk to me Don't talk to me Don't talk to me Don't talk to me Don't talk to me Don't talk to me Don't talk to me Don't talk to me Don't talk to me Oh yeah, oh yeah
