They said we'd living
An easy game
About tomorrow it's all the same
Should I scream and break away
Or should I tell you
I won't fade away, fade away

Help me
I think I'm going under
No time to stay
I gotta run

Help me
I think I'm going under
Drive to this trawl
I can't hold down much longer

So will they promise
Of pretty lights
I found a city that burns my eyes
Silent scream, I'll break away

I'm gonna tell you
I won't fade away
Fade away

Help me
I think I'm going under
No time to stay
I gotta run (3x)

Help me
I think I'm going under
Drive to this trawl
I can't hold down for long
I can't hold on much longer

Help me
I think I'm going under
No time to stay
I gotta run (2x)

Help me
I think I'm going under
