I'll be ready when you say
I'll be ready to play
I'll be coming your way
I'll be coming out to play

Tease me
Please me
Hot and sticky

Chorus:
Let's get hard
Let's get hot
Let's get hard
Let's get

I've been waiting too long
You've seen it coming right or wrong
I'll be ready today

Yes is the only word to say

Tease me
Please me
Hot and sticky
Tease me
Please me
Hot and sticky
Come and feel my body

Chorus:
Let's get hard
Let's get hot
Let's get hard
Let's get

Te quiero
Te adoro
Te quiero
Ahora
