Well there ain't no other woman  
that can make me feel this way  
Gets up close you know, I just ain't got a word to  
say

Please don't touch  
I shake so much  
Please don't touch  
I shake so much

Well I get so nervous when I see his eyes that shine  
Gets too close and a chill runs down my spine

Please don't touch  
I shake so much  
Please don't touch  
I shake so much

I don't know why she's got her claws in me  
'Cause I ain't fighting baby, can't you see  
Sneaking up the stairway, running like a thief  
Spend the night shaking like a leaf  
Oh I remember the first time I took her to a cheap  
motel  
Well I woke up drunk, you know I felt like Eskimo  
Nell

Please don't touch  
I shake so much  
Please don't touch  
I shake so much
