All night long, you've been looking at me
Well you know you're the dance hall cutie that you love
to be
Oh well now, you've been laying it down
You've got your hips swinging out of bounds
And I like the way you do what you're doin' to me

Alright
That's right, that's right, that's right, that's right I really
love your tiger light
That's neat, that's neat, that's neat, that's neat, I really
love your tiger feet
I really love your tiger feet
Your tiger feet
Your tiger feet
Your tiger feet
Well alright

Well flash your warning lights just as long as you like
I know you're aching to be making me tonight
I've got a feeling in my knees
It's a feeling only you can please
There ain't no way I'm gonna let you outta my sight

Alright
That's right, that's right, that's right, that's right I really
love your tiger light
That's neat, that's neat, that's neat, that's neat, I really
love your tiger feet
I really love your tiger feet
Your tiger feet
Your tiger feet
Your tiger feet
Well alright

That's right, (that's right), that's right, (that's right)
I really love your tiger light
That's neat, (that's neat), that's neat, (that's neat)
I really love your tiger feet
I really love your tiger feet
Well alright well now, you've been laying it down

You've got your hips swinging out of bounds
And I like the way you do what you're doin' to me
alright

That's right, that's right, that's right, that's right I really
love your tiger light
That's neat, that's neat, that's neat, that's neat, I really
love your tiger feet
I really love your tiger feet
I really love your tiger feet

That's right, that's right, that's right, that's right
That's right, that's right, that's right, that's right
That's neat, that's neat, that's neat, that's neat
I really love, I really love, I really love, I really love
I really love your tiger feet.
That's right, that's right, that's right, that's right
That's right, that's right, that's right, that's right
That's neat, that's neat, that's neat, that's neat
I really love, I really love, I really love, I really love
I really love your tiger feet.
