There's a light that's from the window
And it shines down on the street
There's some guys standing on the corner
Making that good old harmony
And now there's a light that's from the window
And it's sent to the street court symphony
Let 'em sing let 'em shout
Cause they're singing that good old harmony
Chorus:
Singing it soul to soul
Brother to brother
A cappella
Well it sounds good to me
Singing it soul to soul
Brother to brother
A cappella
Well it sounds good to me
And now I turn out the light
Say goodnight to another day
I'm gonna rest my weary head
In my long-awaited bed

I'm gonna get on my knees and pray

Ask the Lord to give me just one more day

Oh Lord, hear my plea

This music just sounds so good to me

Chorus:

Singing it soul to soul

Brother to brother

A cappella

Well it sounds good to me

Singing it soul to soul

Brother to brother

A cappella

Well it sounds good to me

You know we're singing for the Lord

And now we're feeling mighty good

Giving praise to God the Father

Like we know all Christians should

We don't need any type of guitar

Or an instrument to use

Oh it sounds good to me

And I'm hoping it sounds good to you

Chorus:

Singing it soul to soul

Brother to brother

A cappella

Well it sounds good to me

Soul sing a cappella

Soul sing a cappella

Soul sing a cappella ooh

Church sing a cappella

Church sing a cappella

Church sing a cappella ohh
