More than a friend, more than a friend
More than a friend, more than a friend

Chorus:

Well, he's more than a friend
More than a friend
Yes, he's more than a friend to me
'Cause he gave up his life
And at oh such a price
And he's more than a friend to me

People keep on searching for the perfect friend
Who they'll trust with their compassion and their
confidence
Cause they need someone to love them in the deepest
way
Hear what I'm about to say

He was willing to give his life
Ultimate sacrifice
He was God made flesh and put to death for me
Now you know it's easy to see

Repeat Chorus

Ever since I've known him
I am not the same
And I'm proud to say that
I can wear his precious name
'Cause of all the ones who love me
That will ever be
No one cares as much as he

He was willing to count the cost
Suffering for the lost
Not a greater love that I could receive
Now you know I gotta believe

Repeat Chorus

Listen to me

More than a friend
More than a friend (well he's more than a friend)
More than a friend
More than a friend (well he's more than a friend)
More than a friend
More than a friend (well he's more than a friend)
More than a friend
More than a friend

Repeat Chorus

Scriptural Reference:

"Greater love has no one than this, that he lay down his
life for his
Friends." John 15:13
