Chorus:

That they may all be one
That they may all be one
The Lord is praying for his church
That they may all be one

He prayed in the garden for His disciples
He prayed for all the blessings they would receive
Oh Righteous Father, I look toward heaven
I pray for unity for those who believe in Me

We're sharing the story, You have given me glory
That only comes from heaven above
I want those You've given me in our presence there to
be
Manifested by our love

Repeat Chorus

His prayer continued for those coming after
His prayer of longing for the unity
Then they'd believe us, our God sent Jesus
The Holy Father has loved them that the world might
see

The Lord said, "Come to Me all you who are weary and
burdened
And I will give you rest
Take My yoke upon you and learn from Me, for I am
gentle and humble
In heart and you will find rest for your souls"

All those who believe in Me in our presence there to be
Manifested by our love

That they may all be won
That they may all be won
The Lord is praying for the World
That they may all be won

The Lord is praying for His church
That they may all be one
