The time has come to tell the masses that Jesus Christ  
our Savior lives-  
Of how he loves us like that the father and of the spirit  
that he gives.  
The time has come to take the message to those who'll  
never be the same-  
Too many bound by false religion, to those who've  
never heard his name. Chorus:  
The time has come to tell the nations; the time has  
come to spread the word.  
In every town we must confess it; we must reveal our  
precious Lord.  
The time has come; we must not waste it. The time has  
come to sound the news.

It is for every single nation. We cannot wait- the time  
has come.

From Macedonia, the call is sounding. Earnest and bold  
the people wait.  
The countless children in Peking, China; The thirsting  
souls of Uruguay;  
The time has come to go to Boston, Salt Lake,  
Nashville, to Abilene.  
Yes from L.A. to New York City and every county in  
between.

[Repeat Chorus]

The time has come, the Time Has Come, the TIME HAS  
COME!
