Year round party  
Yall get em up, get it up  
What up Snoop?

[Snoop Dogg]

Wake up, jump out of bed and get dressed  
My life is a mess, naah better yet it's a test  
I snatched the chopper from the coppers then put on  
my vest  
Life's a baseball game out west  
Oh yes, you rockin with the best, the S  
N double O-P, your grandmama know me  
So for all my homegirls and all my homies  
Ain't no limit picnic and it's on me  
Our world is G so roll with me  
And Silkk The Shocker and grab some gin for this  
vodka  
Got summertime rockin for your jeeps and trucks  
Big June Bug in the house, what up  
Got a jar full of dope and a box of blunts  
Hoes in the house, if you see em turn em out  
Bitches walkin by sayin hi to me  
And niggas givin dat cause they ride with me

[Snoop Dogg/(Silkk The Shocker)]

We goin throw a party so my homies come and chill  
(give it up, get it up)  
All the hoes invited so you know we goin get ill  
(give it up, get it up)  
We goin throw a party so ladies come and chill  
(give it up, get it up)  
All my dogs invited so we gotta keep it real

[Silkk The Shocker]

Yo yo yo

It ain't nothin but a N-O L-I-M-I to the T  
Party, so all my dogs could ride with me  
Hopped out the drop, the drivers side of course  
You seen me somewhere before, you did,  
probably was in the Vibe or the Source  
You know what I do when it's time to floss  
I'm a do it, you know I ain't got time to talk  
But I see somethin in the corner and she lookin kinda  
fly  
I tell my dog Snoop (psst psst)  
man you might as well go ahead and stop me  
(Lemme holla at you dog) She done met up with a star,  
eye contact  
I nodded, she nodded back, then we met up at the bar  
I told her I keep ice on my wrist, tight keep ice on my  
chin  
And I'll still respect you tommorow, and tonight I hit it  
But you only got a couple minutes to choose  
And my time is like dollars so I only got a couple  
minutes to lose  
In a minute I'm a hop in my ride, if you in this cool  
If not ya gotta make a decision by the time I finish my  
food  
Now what

[Snoop Dogg/(Silkk The Shocker)]

We goin throw a barbecue so niggas light the grill  
(give it up, get it up)  
All my dogs invited so you know we goin get ill  
(give it up, get it up)  
We goin throw a barbecue so ladies light the grill  
(give it up, get it up)  
All my dogs invited so you got to keep it real

[Silkk The Shocker/(Snoop Dogg)]

Now I used to be on the block,  
now I'm in the drop chillin with Snoop  
But I walk through the door I feel animosity (oh you  
feelin it too)  
Probably cause we say our name we could be stealin  
they booth  
Probably cause I'm platinum, we dark, could be chillin  
at two  
(The south west connect, big chains on our neck  
Boy give us respect, yall shit on deck)  
Aight Snoop, you got the weed (yeah) and I got the  
liquor (fa sho)  
Meach got the food but who got the strippers (I dont  
know)

Cause ain't no party like the ones we drove (whassup)  
And um, ain't no cars like the ones we drove  
And um, ain't no dollars like the ones we fold  
When we give somethin, call us, it's outta control  
(So whether it's summertime, winter, spring or fall  
Look for somethin big from Silkk and Top Dogg)  
We party with nothin but bud, nothin but thugs  
East to west, peep the best, keep it stress, nothin but  
love (yeah)  
Fuck

[Snoop Dogg/(Silkk The Shocker)]  
We goin throw a party so my homies come and chill  
(give it up, get it up)  
All the hoes invited so you know we goin get ill  
(give it up, get it up)  
We goin throw a party so ladies come and chill  
(give it up, get it up)  
All my dogs invited so we gotta keep it real  
(give it up, get it up)

[Silkk The Shocker]
