I woke up alarmed  
I didn't know where I was at first  
Just that I woke up in your arms  
And almost immediately I felt sorry  
Cause I didn't think this would happen again  
No matter what I could do or say  
Just that I didn't think this would happen again  
With or without my best intentions  
And whatever happened to a boyfriend  
The kind of guy who tries to win you over  
And whatever happened to a boyfriend  
The kind of guy who makes love cause he's in it and

I want a boyfriend  
I want a boyfriend  
I want all that boring old shit  
Like letters and sodas  
Letters and sodas

You got up out of bed  
You said you had a lot of work to do  
But I heard the rest in your head  
And almost immediately I felt sorry  
Cause I didn't think this would happen again  
No matter what I could do or say  
Just that I didn't think this would happen again  
With or without my best intentions and

I want a boyfriend  
I want a boyfriend  
I want all that stupid old shit  
Like letters and sodas  
Letters and sodas

And I can feel it in my bones  
I'm gonna spend another year alone  
It's fuck and run  
Fuck and run

Even when I was seventeen  
Fuck and run  
Fuck and run

Even when I was twelve

And I can feel it in my bones  
I'm gonna spend my whole life alone  
It's fuck and run  
Fuck and run  
Even when I was seventeen  
Fuck and run  
Fuck and run  
Even when I was twelve

You almost felt bad  
You said that I should call you up but  
I knew much better than that  
And almost immediately you felt sorry  
Cause you didn't think this would happen again  
No matter what you could do or say  
Just that you didn't think this would happen again  
With or without your best intentions

And whatever happened to a girlfriend  
The kind of chick who tries to win you over  
And whatever happened to a girlfriend  
The kind of chick who makes love cause she's in it and

You want a girlfriend  
You want a girlfriend  
You  
Like letters and sodas  
Letters and sodas  
Letters and sodas  
Letters and sodas
