Don't give me that sucker fish

Any love life ain't that hurting

And you always seemed to get what you wanted
without flirting

You're not the only one who's used to playing dirty

And all I ever wanted from you was to leave me alone

So don't give me that sucker fish shit

Cause I'm not that strong a swimmer

But I'm not afraid to be moving in a slower river

You're not the only one who used to watch Speed Racer

The very first car in a race around the world

(go Speed Racer)

Is somewhere in the middle of a race around the world

(go go go Speed Racer)

And the very first car in a race around the world

(go Speed Racer)

Has got to wipe out somewhere but that somewhere
isn't me

So don't give me that sucker fish shit

Cause I'm not gett

And I'm not a floatable to keep you from going under

And you're not the only one who used to watch Speed

Racer

And the very first car in a race around the world

(go Speed Racer)

Is somewhere in the middle of a race around the world

(go go go Speed Racer)

And the very first car in a race around the world

(go Speed Racer)

Has got to wipe out somewhere but that somewhere
isn't me
