Feeling should disappear

Like a beast without love
The waist is shaken intense
Since there is such a thing
All people are troubled by despair

Die in prison

"Hey you!! why do people fall in love?"
"Yes It will be for damaging and betraying"
Break altogether!!
Even if what will be there
Nobody is already stopped

Die in prison

Yokubou koukotsu mei sou ranzatsu
Kasanaru kanjou mayoi mawari kudake ochiru

Feeling should disappear

Die in prison

Yokubou koukotsu mei sou ranzatsu
Koisa suru kanjou nandomo nandomo surechigau

Kizukiage kowasu kurui tsuzukete kono mi wo kogasu
Kasumi iku honnou kousa suru kanjou
Shinjiru na... kizu wo okasu dake

Die in prison
