(boys, let's do it)

Bury me in love  
Bury me in love

Shared your kisses, take your heart  
Buried me and it hurts

I love my sister so [chain, unchain]  
She don't smother me [chain, unchain, unchain]  
I played the spades I know [unchain]  
I'm a Jack of all trades  
Would you bury me?

Once you see her  
One inside [hide, hide]

Some things you just can't hide  
If you see her  
Tell me why [why, why]  
Why won't she come outside?

If you see her  
Tell me why [why, why]  
Why won't she come outside?  
Once you see her  
One inside [hide, hide]  
Some things you just can't hide

She will bury me  
She will bury me
