I'm like an action film without the heroes
I'm like a million without all the zeroes
I am like the beatles without ringo
I'm like heat without robert de niro
I'm like the devil without hell
I'm like bob dylan with nothing to tell
I'm like an ambulance without the chases
Im like a festival without the stages
Im like the second world war without the nazis
I'm like diana without the paparazzis
Im like mtv without the music
Im like a terrorist attack without the panic
Im like the faces without the stitches
Im like a hip-hop crew without the bitches
There's something missing inside my head
And i don't know if it's good or bad
But i keep thinking there's something wrong
Can you make me right?
Can you make me right?
Yeah, yeah, yeah,
I'd like to get a job and get fired
I'd like to apologise and get rehired
I tend to fuck shit up to stay excited
Cos in my head it's like a constant riot
Im like a teenage girl without a top on
Im like lesbian sex without a strap on
Im like the wutang clan without the ex cons
I'm like soft porn without the turn ons
There's something missing inside my head
And i don't know if it's good or bad
But i keep thinking there's something wrong
Can you make me right?
Can you make me right?
Im like some kind of plan b
Im like royal, gee,
Im like iced tea
Im like mariah carey
Im like r kelly
Im like p diddy
Im like the artist formerly known as...
There's something missing inside my head

And i don't know if it's good or bad
But i keep thinking there's something wrong
So can you make me right?
Can you make me right?
Can you make me right?
Can you make me right?
There's something missing inside my head
And i don't know if it's good or bad
But i keep thinking there's something wrong
So can you make me right?
Can you make me right?
