Pledged your faith
My heart embraced
Struggle to renew

Blurry mind
So hypnotized
Fast enough who

Wonder where you are
Tristessa

Soul takes soul
As I take eye
I will wait for you

What you believe
You'll wish to receive
I won't believe in you

Hang on to your life

Tristessa

I love you true
Surely I do
I love you true
Surely I do
Surely I do
Surely I do

Do you ever wake up and find yourself alone?
Do you ever wake up far from home?
What you believe
You'll wish to receive
I won't believe in you
Tristessa
Tristessa
Tristessa
