Competitions on television are driving me insane  
Competitions on television are driving me insane  
Can't control all the aggression running through my  
brain  
Cos competitions on television are driving me insane  
Cant control all the aggression running through my  
brain  
Cos competitions on televisions are driving me insane  
Die in the house of fun  
The tv's made me numb  
Die in the house of fun  
The tv's made me numb  
It's like i've got no feelings at all  
It's like (i've got) i've lost - (ohhh) - it all  
It's like i've got no feelings at all  
I've got no feelings at all  
Die in the house of fun  
The tv's made me numb  
Die in the house of fun  
The tv's made me numb, yeah  
Yeah (repeatedly)  
Yeah , c'mon  
Die in the house of fun  
The tv's made me numb  
Die in the house of fun  
The tv's made me numb  
Die in the house of fun  
The tv's made me numb
