Just as you're waiting, you sit up in your evil chair  
Looking down on me, you never really give a shit  
I've been searching for you, I've stuck up for you  
Too many times, well I got my real answer  
And now I am my only war  
Each time I thought that I had answers  
You come again;  
Evil answers throw me back down in the hole  
Just when I would think to pass  
Nothings gonna give  
Each time you walk on by  
Do you really think I...watch...care?  
It never really feels too good when I'm  
Holding everything inside of me now that you would
