kiss me baby you see i've been drinking

tipsy just can't help it i've been thinking
you and me we might be meant to be together
you and me we might be meant to be forever
and maybe it can be the beauty
or maybe it's that pretty smile
maybe it can be the beauty
but one thing that it's not

it's not the liquor (repeats)
i can bring proof
it's not the liquor (repeats)
shorty is you

now if you are real hooked up in the club
shorty say this my song
(repeats)

hence you throw it at me i throw it back on you
.. our body can't get no closer
she .. cream berry and vodka
i tell her baby i got you
you and me we might just get drunk together
and maybe it can be the beauty

or maybe it's that pretty smile
maybe it can be the beauty
but one thing that it's not
it's not the liquor (repeats)
i can bring proof
it's not the liquor (repeats)
shorty is you

now if you are real hooked up in the club
shorty say this my song
(repeats)

if you a real dude bring your shorty close
..you got let them know
that you mean that
i mean we got to let them know

it's not the liquor (repeats)
i can bring proof
it's not the liquor (repeats)
shorty is you
