You see my whip - Spikin'
You know im the shit - Damn
Them bottles there - Patron
we in the vip - C'mon

You make me panic when I see
How good that booty move around
You make me panic when I see
How good that booty drop it down

No drop it down, you're the winner
Come sit it in my seat
You got som much, behind ya
Can you fit it in my jeep

I'll be your highest bidder
If you keep showing me that
That you can go so low
That I can't get underneath

Girl girl the way you pick it up
Let everybody see ya
How high you lift it up
Go go through the ceiling

I love the way
You turn your body upside down
You know just how to
Turn my pockets upside down

You see my whip - Spikin'
You know im the shit - Damn
Them bottles there - Patron
we in the vip - C'mon

You make me panic when I see
How good that booty move around
You make me panic when I see
How good that booty drop it down

Now drop it down!
Drop it down pick up...

You not a beginner
You're the best that I done seen
Girl what ya showing in here
Should be banned from TV
Girl I got places to go
But I never wanna leave
Cause you drop it so low
That I can't get underneath

Girl girl the way you pick it up
Let everybody see ya
How high you lift it up
Go go through the ceiling

I love the way
You turn your body upside down
You know just how to
Turn my pockets upside down

You see my whip - Spikin'
You know im the shit - Damn
Them bottles there - Patron
we in the vip - C'mon

You make me panic when I see
How good that booty move around
You make me panic when I see
How good that booty drop it down

Now drop it down!
Drop it down pick up...
[Instrumental]
You see my whip - Spikin'
