she make me wanna
go and get ma hair cut
go and get my braids done
doin it just to dress up dress up
and you gon make me put my
put my icy chain on
going the trip wit the same songs
clean my lui vis up
you make me wanna git so fly
you gone make me git so fly
you make me wanna git so fly
you gone make me get so fly

now i....
never had me no girl like you
got to get me a girl like you
and you...
you need to be with a cool ass bru
somebody just as cool as you

its like a competition
every time that i pull up in my truck
she right behind my rolling up in the dups
and she never ask me to buy no drank
that's that independent stuff i love

she make me wanna
go and get ma hair cut
go and get my braids done
doin it just to dress up dress up
and you gon make me put my
put my icy chain on
going the trip wit the same songs
clean my lui vis up
you make me wanna git so fly
you gone make me git so fly
you make me wanna git so fly
you gone make me get so fly

(p.s very rusty)
