It coulda been a sweet dream or  
a beautiful nightmare  
Either way Ill yall be sleeping !

It coulda been a sweet dream or  
a beautiful nightmare  
Just keep on sleeping

Git fresh were bout to blow upppp..  
Git fresh up in here, we ain't going no  
where  
And were making it clear  
2010 that is our year .

It coulda been a sweet dream or  
a beautiful nightmare  
Either way Ill be sleeping !  
Wake up!

Well I kick through the door (huh)  
Telling them n\*\*gz from a 954  
Git fresh in the building  
Were be killing em on the radio.

Were stars if ya don't know  
Ten years in the game, if ya don't know  
Ten years in were the same, if you don't know  
know  
Ten years in pain, if you don't know .

Now go go your damn cool  
But ya gotta let go  
With these streets, now their down to my name  
Still on the crown in the sides of game  
And it hurts me, cuz I didn't fight over this  
here  
Felt like I mite die over this here  
Lost all everything I had over this  
But I know Git fresh will fly over this year.

So every night im down my knees thanking god  
For everything he gave me

And I aint taking no for an answer mann  
2010 gotta pay me

And where so dangerous  
Cuz we don't got nothing to lose  
Till im blue and I blew twenty thousands dollars  
On clothes and shoes  
Gotta stay fly, what was I to do ?  
When im in the sky  
What do I see ?  
My cell phone bill  
In built the wind  
I told my mamma imma make it to the top  
But for real I gotta tell she don't believe

And if it aint one thing, its another  
what sup to my family even though you  
don't see me much  
But I love ya  
Tryna make things better for ya

I think back to the days when my girlfriend would use  
To love me  
Tell ya boy got down and down that's when  
she dumped me!  
But what don't kill ya makes ya stonger  
No wind, no shine  
Im overseas shaking hands, what im thinking is  
Thanks for the co sign

We would of seen us in lightssss ahhh  
Git fresh up in this thang  
And were backing up  
Tell the DJ he can back it up  
You got me feeling it up to the ceiling  
Were ready to kill it  
It coulda been a sweet dream or  
a beautiful nightmare  
Either way Ill yall be sleeping !
