Can I ever live without you, girl?
Get back on my feet again
Now I'm lost in your world

And there's no simple way to let you go
You've been such a part of me
And though you choose to walk a separate road
I still believe in you

So I call to your heart
Hear me calling to your
Oh, I call to your heart
I'm calling to your heart

Distant voices in the silent night
Call to a memory
Someone touched me but it don't feel right
It's only you I need, believe me

When I call to your heart
Hear me calling to your heart
Oh, I call to your heart
I'm calling to your, calling to your heart
Hear me call to your heart

Your love, I lost along the way
But darling, I'll find you someday
Oh, calling to your
Here me calling to your
Here me calling to your heart

Darlin', you remember the dreams that we had
I'd give everything, my world, to hold you again
And darlin', together, we can make it work out
So stay with me, baby, I need you now

I call to your heart
I've been calling you back again
And to hear all the times we had
Hear me call to your heart
Hear me calling to your, calling to your heart

Oh, I'll call to your heart
Oh, call to your heart
Hear me calling to you, calling to your heart
To your heart
