Somebody's crying, there's a heart on the line  
And the fire is dying, someone caught in a lie

Nobody's right, and nobody's wrong  
Just one day you look up, and everything you have is  
gone

It's the change of heart, pulling your life apart  
Change of heart

Love is here today, and it's gone tomorrow  
Do we trade it straight across, trade our love for the  
sorrow?

It's the change of heart, pulling your life apart  
Change of heart, pulling your life apart, Change of  
heart.

Now we'll stand for me to my life, and I've turned with  
the tide  
This ever changing mystery of life

Solo

This ever changing mystery of an ever changing heart

Change of heart, pulling your life apart  
Change of heart, pulling your life apart  
Change of heart, pulling your life apart  
Change of heart, it's a change of heart  
It's a change of heart, it's the change of heart.
