Hey Mac, pour me a jack, it's been a long, long day.
Lady Luck dealt me some bucks.
I'm gonna drink the night away.
Say bye bye, no more nine to five, I did my time.
So turn me loose, I got the juice.
I'm gonna draw me a line.
Draw me a line.
After all I've been through, I'm gonna want you.
After all I've been through, I know that you want it, too.
Dance, dance all night, dance with me.
Dance, dance all night, dance, dance with me.
Hey baby, don't say maybe, just have a shot on me.
You midnight eyes, tell me no lies, you know.
I know how to read you.
I want a wild night till the morning light.
So take me away.
Say no more. Just shut that door. Ooh, I just can't wait.
I just can't wait.
After all I've been through, I'm gonna want you.
After all I've been through, I know that you want it, too.
Dance, dance all night, dance with me.

Dance, dance all night, dance, dance with me.
Dance, dance all night, dance with me.
Dance, dance all night, dance, dance with me.
Ain't no reason to leave alone tonight.
Keep on dancing and hold on tight.
After all we been through.
I know what you want to do.
Dance, dance all night, dance with me.
Dance, dance all night, dance, dance with me.
Dance, dance all night, dance with me.
Dance, dance all night, dance, dance with me.
Baby, don't you leave me, leave me dancing alone.
Baby, don't you turn me away.
We're gonna keep on dancing till the morning light.
We're gonna keep on dancing.
Can you hear what I say? I say...
Dance, Dance, Dance, Dance, Dance, Dance
whoa, Dance all night.
