I remember Carol
As a dear friend, Carol
Where you bound for?
Where you going all alone?
Have you found all you were looking for?
Life has left you forever, Carol

Time denied you life's sweet sorrow
Left a space between tomorrow
Now too late to beg or borrow
Time will never heal the sorrow

I'll say a prayer for Carol
Look everywhere for Carol
She's an angel near heaven's door
She won't be around, no, never more
Where you going, my sweet lady?

Time denied you life's sweet sorrow
Left a space between tomorrow
Now too late to beg or borrow
Time will never heal the sorrow

Where you going, my sweet lady?
Can't forget you, my sweet Carol
Can't get on without you, Carol
Life is dark without you, Carol
Where you going, my sweet lady?
