"I've Drunk In My Dream"

I dreamt one night
That in my bed
Were you
And when I woke
I found you
Near me
Sure I have drunk
In my dream
My lips are wet
My throat is cold
And still my body drinks from you
The love I never found, I never found
You are giving me
Iâ€™m giving you
Are you a witch or an angel for me?
An angel or a devil?
Sure I have drunk
In my dream
My lips are wet
My throat is cold
And still my body drinks from you
Honey..
Are you a devil, a devil or an angel?
An angel, honey...
