Suddenly Iâ'm alone
She left me here to fight the cold
After she went away for the last time
A million heartaches seemed to unfold
Here in my loneliness I grew old
I lost all reason
Lost forever
Slowly dying

Another day of loving you
Would drive me crazy through and through
My mind has always been set on you
Iâ've got to find a way to forget this rainy day and you

Suddenly Iâ'm all alone
No one around to help me back home
Sadness is mine, Iâ'm lost in the city
I see my hopes just turn to stone
Somebody help me find my home
Without her near me
Iâ'm lost forever
Iâ'm slowly dying

Suddenly Iâ'm alone
She left me here to fight the cold
Suddenly Iâ'm alone
No one around to help me back home
Suddenly Iâ'm alone in the city
Suddenly Iâ'm alone in the city
