Bizzy - That's right, that's right. LDB.

LDB - What's happenin'?

Bizzy - Romeo.

Romeo - What's up?

Bizzy - Batman.

Batman - Yo yo Bizzy.

Bizzy - That's right.

Romeo - Let it go.

Bizzy - What? What?

Let me remind ya about how

Shouldn't have murdered

But an eye for an eye

Goin' and killin' you soon will die, my

Sendin' you to the Lord because nobody wants to worry  
ya, serve ya

Everyday seems shorter, and murder gonna search for  
ya

As I walk cross the road, across the road (across the  
road)

I just think about my life

How I grow up (how I grow up)

And I think about the things that people do

And I guess they can't go to public school

And I see just how this world has been ruined (has been  
ruined)

But what can we do, what can we do (What can we do)

But what can we do, what can we do (What can we do)

Peace at the end of the road is where we are

Chorus

From coast to coast to give up the ghost(8x)

Search and search, you'll never return

Better not use my name in vain

And the children are our future

To the teachers, maintain

Rule two, thou shall not steal

But I did, and I will, especially for my babies

My Mother pay my bills

And then my wheelchair  
I get too old for those reel  
Who done gave me free meals  
And they don't see me make mill  
And until the deal, we'll keep rolling  
Fillin' it up with granite  
From the east to the west of the planet  
Better pay attention to the Ten Commandments

Chorus

Everybody that's confused just hear me out  
From coast to coast, from coast to coast, give up the  
ghost  
All our homies really don't know just what to do  
'cause there's a coffin over there waitin' for you  
Downloading all the info from your mind  
When your soul has gone, we will find  
Peace at the end of the world is where we are

Chorus

Understand it if you can  
You standin in my way  
So peace out to the murdered family  
But it ain't really none of your business  
Say a Prayer, pray  
Get on your knees and you pray  
Everyday you pray, and stay away  
No matter what no one else say
