Livid Waters We're Wasting Away  
On The Old World Of My Vessel  
While That Wave, After Wave  
Was Breakin' The Nocturne Infinite Blue

A Queen Tall And Thin  
Of Violet Veils Worn  
With Hair Of Pale Corn  
Hovered Erect!

Toward Mine Coordinates  
Without Frictions Preventing Her  
While The Sun Upon The Sea  
Was Throwing Its Splitting Rays

Crystal Of Refracted Light  
We're Reflected On The Smooth Surface  
Of The Ice, At The Horizon

I Saw A Siren

Incite Me To Fight  
Against His Wind

What Are You Looking For  
What Do You Want  
What Are You Looking For  
You'll Grovel Again  
Down The Oceanic Sand  
To Search Shining Stones  
To Hide Crying Eyes

Castaway  
After A Night And A Day  
Castaway  
After A Night And A Day  
At Last I Saw The Coast  
But It Was Only  
A New Beginning  
To Be The Absolute...
