Human Voyage High Technology
Multimedial Lands Of Entity
Straight Through Future Endlessly
Locked In Chains In Front Of A Tv Screen
Right Now With Crionic Phials
We'll Win Death And The Mortality
Experiments On Artificial Birth
It's Our Purpose For All A Perfect Breed

Shadows

Rotten Dummies Broken Dreams
Flabby Faces All These Shapeless Visions

Hive And Prison

Shadows

Amputation Branching Off
Chilly Way To Live This Human Cage
There's No Gate

Dreams About Ancient Emotion
Far Away From Battles Cry
When The Truth Wasn't Just A Notion
And Awareness Was Alive
