

## Breaking Point "27"

Well, it's trapped up inside you  
There's no peace, there's no hope  
When it's trapped up inside you  
Well come this way  
Come this way now  
Your position is weakening  
Your position is gone  
Well, it doesn't even matter what you're thinking  
It doesn't matter at all  
When, it's trapped up inside you  
There's no peace, there's no hope  
When it's trapped up inside you  
Well, come this way  
Come this way now  
Your opinions are changing  
Your opinion's not sound , no  
It doesn't even matter what the truth is

All that matter is now  
When, it's trapped up inside you  
There's no peace, there's no hope  
When it's trapped up inside you  
Well, come this way  
Come this way, now  
You're selling yourself  
You're cold  
You're selling yourself  
At 27 years old  
Well, it's trapped up inside you  
There's no peace, there's no hope  
When it's trapped up inside you  
There's no peace, there's no hope  
Well, come this way  
Come this way now  
You're selling yourself  
You're cold  
You're selling yourself at 27
