[Treach]

Check it, life sure hurts with your dick in the dirt
Witcha thang in a sling from the work of a skirt
Balls turned black to blue from a tease or two
Well one tease is a few, save your balls from the blues

You're givin me the blues (the blues, the blues)
Girl I got the blues (it's all because of you)
It's all because of you (I've got em, I've got em)
and those freaky things you do (let me tell you a story)

As we leave the club, you know what's up
Thinkin I'm gettin some, damn was I so dumb
Take her to the crib.. thinkin I'm gon' live
but you got, all these excuses,
how you've heard about me.. and you're not ready
sexually
After you done teasin me, you want to leave
Say it isn't true, I'm so excited by you
Don't know what to do, you've given me the blues
I've got em

[Treach]

One of the best hoes, and SO's, at my crib spot
Got the vessels in my testicles stopped on gridlock
Now why you wanna touch under drawers and tease
Treach
If I bust you better duck or get your whole weave wet
Wanna shoot loose the juices, the best of hooches
Blue balls is the sewage, from shit excuses
Now from the first face, on the first date, WHAT?
Five dates, then we do it, still'll be the first fuck
You wanna come and touch, run and duck, you're tricky
Take a hickie come for Moby Dick, and slip a mickie
You came foul and phony, you left me lonely
So when I'm stiff and boney, I go and think about
Naomi
with my hand as my homey, uhh!

You!!!! You've given me the blues
Girl I've got the blues (look what you did!)
It's all because of you
And those freaky things you do (ohhh yeahh)

[Treach]

Hahaha, yeah

You wore panties all fancy with that sheet shit over it

Nuts tend to lock after an hour and you NOTICE

Female cause charlie horse in my shorts

Nuts beggin me to leave you in the worst part of
Newark

Then I thought of a plan and you called me a pervert

Shit, hurtin and you beefin cause I want you to jerk it?

I wish I knew your booty call was a coochie brawl

I woulda had a better ball at the booty bar

Balls swole like a bowl with my dick in the dirt

Shoulda wait til you got up and went and jumped in
your purse

See you felt below the belt, while I kiss it you hug it

Ain't come to suck or fuck it, shit you ain't have to

TOUCH IT

My thang was cool, takin a nap on my lap

Then you rub it til my balls catch a cramp from the back

Smoke the tight sack, sport the nightcap, you spoke it
right back

Balls black and blue, nuts stingin like a spiked bat

You ain't right rat! DAMN! DAMN!
