Do nothing till you hear from me,  
Pay no attention to what's said  
Why people tear the seam  
Of anyone's dream  
Is over my head  
Do nothing till you hear from me,  
At least consider our romance  
If you should take the word  
Of others you've heard  
I haven't a chance

True, I've been seen with someone new  
But does that mean that I'm untrue?  
When we're apart,  
The words in my heart  
Reveal how I feel about you

Some kiss may cloud my memory  
And other arms may hold a thrill  
But please do nothing  
Till you hear it from me  
And you never will

Oh don't u do a nuthin  
Pay no attention to the stories  
So ive seen another guy or two  
Don't mean im not in love with you  
Why people tear the seam

Of anyone's dream  
Ther reason is over my head  
Don't you do a thing  
Until u hear it from me

Please just consider  
What a dance our romance has been  
I'd certainly do it again  
If u should take the words  
Of others you've heard  
I haven't got a chance

True, I've been seen

With someone other than u  
But does that mean  
That now my love's untrue  
When we're apart,  
The words in my heart  
Reveal just how I feel about you

Some kiss may cloud my memory  
And other lovin arms may hold a thrill  
But baby do a nuthin  
Till you hear it from me  
O just do nuthin  
Baby just a wait n and see  
Cause baby  
Oh no  
U never will  
U never will  
U never will  
Oh oh no  
U never will
