I made it through the hardest times  
And I've done had some sleepless nights  
And when I thought I'd just give up  
I could turn to you 'cause you're the greatest love of all  
There's no doubt, it feels so good I wanna shout  
'Cause I know you'll be right there  
I can turn to you 'cause your the greatest love of all  
There was a time when everything I did  
It never was good enough  
And I've seen the moon and stars, maybe once or twice  
But I never feel satisfied  
So on this journey, I kept on searching  
Until I came across a love that was greater than me  
It's burning, this feeling so good in me, I can't believe  
I made it through the hardest times  
(Oh yeah)  
And I've done had some sleepless nights  
(Had some sleepless nights)  
And when I thought I'd just give up  
(Just give up, just give up)  
I could turn to you 'cause you're the greatest love of all  
(Greatest love of all)  
There's no doubt  
(There's no doubt)  
It feels so good I wanna shout  
(Feels so good)  
'Cause I know you'll be right there  
(Know you'll be there)  
I can turn to you 'cause you're the greatest love of all  
When I think of what I've been through  
Good or bad, it lead me straight to you  
And I can't help to wonder why  
I've been so blessed to have you in my life  
You've changed me  
(Me)  
You've made me see  
(See)  
There is nothing better  
Than the love you bring  
And I will give  
(And I will give)

Up everything  
(Up everything)  
As long as you keep loving me  
I can't imagine being here without your love  
(I can't imagine being here without you)  
And when I'm sad I find my joy in things you love  
(You're all I'm ever thinking of)  
The hard times you have brought me through  
I dedicate this one to you  
(I dedicate this one to you)  
Though I still have some problems  
I still have some mountains to climb  
And I know it'll be just fine  
I made it through the hardest times  
And I've done had some sleepless nights  
(Had some sleepless nights)  
And when I thought I'd just give up  
(Just give up, just give up)  
I could turn to you 'cause you're the greatest love of all  
(Greatest love of all)  
There's no doubt  
(There's no doubt)  
It feels so good I wanna shout  
(Feels so good)  
'Cause I know you'll be right there  
(Be right there)  
I can turn to you 'cause you're the greatest love of all  
(You're the greatest love of all)  
I made it through the hardest times  
And I've done had some sleepless nights  
(Though I can depend on you)  
And when I thought I'd just give up  
(Just give up, just give up)  
I could turn to you 'cause your the greatest love of all  
(You're the greatest love of all)  
There's no doubt  
(There's no doubt)  
It feels so good I wanna shout  
(Your the same today, as you was yesterday)  
'Cause I know you'll be right there  
I can turn to you 'cause you're the greatest love of all  
('Cause you're the greatest love of all)  
I made it through the hardest times  
And I've done had some sleepless nights  
(Never, never, never, never, never, never)  
(Never leave me)  
And when I thought I'd just give up  
(Oh no)  
I could turn to you 'cause you're the greatest love of all  
(I could turn to you cause you're greatest love of all)  
(I know you'll be there)

There's no doubt, it feels so good I wanna shout  
(I know you'll be right there 'cause you care about me)  
'Cause I know you'll be right there  
(Yes, you do)  
I can turn to you  
'Cause you're the greatest love of all  
( 'Cause you're the greatest love of all)  
There's no doubt, there no doubt
