I'm imagining  
A lot of happy people  
And most of you are with  
Someone you love

Well, you are the lucky ones  
All over the world, there are  
Lots of people who are alone tonight

I imagine most of us have  
Been it that situation  
At one time or another  
I know I have

Recently, I heard a beautiful song  
With a dynamic lyric that really  
Expresses this feeling of lonlieness

It means a lot to me, personally  
And I'd like to share with you  
I think you'll see what I mean

Take the ribbon from my hair  
Shake it loose and let it fall  
Laying soft against your skin  
Like the shadows on the wall

Come and lay down by my side  
Til the early morning light  
All I'm taking is your time  
Help me make it through the night

I don't care what's right or wrong  
And I won't try to understand  
Let the devil take tomorrow  
Oh, tonight I need a friend

Yesterday is dead and gone  
And tomorrow's out of sight  
And it's so sad to be alone  
Help me make it through the night

Lord, it's so sad to be alone  
Help me make it through the night  
Lead me through the night  
Come on and take me through the night  
Through the night
