Cathedral bells were tolling  
And our hearts sang on  
Was it the spell of Paris  
Or the April dawn?

Who knows  
If we shall make it?  
But when the morning  
Just rings sweet again

I'll be seeing you  
In all the old familiar places  
That this heart of mine embraces  
All day through

In that small cafe  
The park across the way  
The children's carousel  
The chestnut trees or the wishing well

I'll be seeing you  
In every lovely summer's day  
And in everything that's light and gay  
And I'll always think of you that way

I'll find you in the morning sun  
And when the night is new  
I'll be looking at the moon  
But I'll be seeing you

I'll be seeing you  
In every lovely summer's day  
In everything that's light and gay  
I'll always think of you that way

I'll find you in the morning sun  
And when the night is new  
I'll be looking at the moon  
I'll be seeing, seeing, seeing, seeing

Seeing you looking at the moon  
I'll be looking at the moon

But I'll be seeing, seeing you  
Get up in the morning seeing you
