You looked inside my fantasies and made each one
come true
Something no-one else had ever found a way to do
I've kept these memories one by one since you took me
in
And I know I'll never love this way again

I know I'll never love this way again
So I keep holding on, before the good is gone
I know I'll never love this way again
Hold on, hold on, hold on, hold on

A fool will lose tomorrow reaching back for yesterday
I won't turn my head in sorrow if you should go away
No, I'll stand here and remember just how good it's
been
And I know I'll never love this way again

I know I'll never love this way again
So I keep holding on, before the good is gone
I know I'll never love this way again
Hold on, oh hold on, hold on

I know I'll never love this way again
So I keep holding on, before the good is gone
I know I'll never love this way again
Hold on, hold on

I know I'll never love this way again
So I keep holding on, before the good is gone
I know I'll never love this way again
Hold on, hold on

I know, I know, I know I'll never love this way again
So I keep holding on, before the good is gone
I know I'll never love this way again
Hold on, hold on, hold on
