Ooh, oh, hoo
I feel, I've got to hold on to your love, ooh

Hey baby, thought you were the one who tried to run
away
Ohh, baby, wasn't I the one who made you want to you?
Please don't bet that you'll ever escape me
Once I get my sights on you

Got a license to kill
(To kill)
And you know I'm going straight for your heart
(Got a license to kill)

Got a license to kill
(To kill)
Anyone who tries to tear us apart
(Got a license to kill)
License to kill

Hey baby, think you need a friend
To stand here by your side?
Yes you do
(Your side)
Ohh, baby, now you can depend on me

To make things right
(Things right)
Please don't bet that you'll ever escape me
Once I get my sights on you

Got a license to kill
(To kill)
And you know I'm going straight for your heart
(Got a license to kill)

Got a license to kill
(To kill)
Anyone who tries to tear us apart
(Got a license to kill)
License to kill

Say that somebody tries to make a move on you
In the blink of an eye, I will be there too
And they better know why I'm gonna make them 'em
pay
Till their dying day, till their dying day, till their dying
day

Got a license to kill
(To kill)
And you know I'm going straight for your heart
(Got a license to kill)

Got a license to kill
(To kill)
Anyone who tries to tear us apart
(Got a license to kill)
License to kill

Got a license to kill
(To kill)
And you know I'm going straight for your heart
(Got a license to kill)

Got a license to kill
(To kill)
Anyone who tries to tear us apart
(Got a license to kill)
License to kill

Gotta hold onto your loving
License to kill
Ooh
