Oh, it's been such a long, long time
Looked like Iâ'd get you off of my mind
But I canâ't, just the thought of you
Turns my whole world misty blue

Oh honey, just the mention of your name
Turns the flicker to a flame
Listen to me good, baby
I think of the things we used to do
And my whole world turns misty blue

Oh baby, I should forget you
Heaven knows Iâ've tried
Baby, when I said I'm glad weâ're through
Deep in my heart I know Iâ've lied
Iâ've lied, Iâ've lied

Oh honey, it's been such a long, long time
Looked like Iâ'd get you off of my mind
But I canâ't, just the thought of you my love
My whole world turns misty blue

Oh, oh I canâ't, oh I canâ't, oh I canâ't forget you
My whole world turns misty blue
Oh, oh my love
My whole world turns misty blue
Baby, baby, baby, baby, baby I canâ't forget you
My whole world turns misty blue
