No-one ever loved you more
And you're all I'm living for
Now it's time for you to leave
Ooh it's so hard to believe
You're not in love with me

Baby, there's no easy way to hear the words
I'm sorry I don't love you
You tried to leave me once before
But felt so bad you let me love you more

And baby there's no gentle way
No tender sentimental way to leave me
You offer me your sympathy
But I'm as lonely as can be
Sorry doesn't always make it right

No-one ever loved you so
You were trying to let go
I guess I didn't know

Baby, there's no easy way to hear the words
I'm sorry I don't love you
You hurt me, then apologised
I'd better go before I lose my pride

Baby, there's no gentle way
No tender sentimental way to leave me, yeah
Oh I wish that I could make you care
But all in love just isn't fair
Sorry doesn't always make it right

No-one ever loved you more
And you're all I'm living for
Now it's time for you to leave
Ooh, it's so hard to believe
You're not in love with me

Ooh, no-one, no-one ever loved you more
And you're all I'm living for
Now it's time for you to leave
It's so hard to believe

You're not in love with me, yeah
