Don't know why there's no sun up in the sky?
Stormy weather since my man and I ain't together
Keeps rainin' all the time, the time

Life is bare, gloom and misery everywhere
Stormy weather just can't get my poor self together
I'm weary all the time, all the time, yeah

When he went away the blues walked in and met me
If he stays away that old rocking chair's gonna get me
All I do is pray that the Lord above will let me
Walk in the sun once more

Can't go on, everything I had is gone
Stormy weather, yeah, since my man and I ain't close
together
It keeps rainin' all the time, keeps rainin' and rainin'
And rainin', and rainin'

I walk around heavy hearted and sad
Night comes around and I'm still feeling bad
Rain pourin' down, blindin' every hope I had
This pitter and patter, beating and spattering
Is driving, driving me mad

Can't go on, everything I had is gone
Stormy, stormy, stormy, stormy weather
Since my man and I ain't together
Keeps rainin' all the time, keeps rainin' all the time

Keeps rainin' and rainin'
Pouring down
Ain't no sunshine days gone
Keeps rainin' all the time
