I've had my share,
Of life's ups and downs,
but fates been kind,
the downs have been few,

I guess you could say,
I've been lucky,
Or I guess you could say,
That it's all because of you.

If anyone, should ever write, my life story,
for whatever reason there might be,
you'd be there,
between each line of pain and glory,
cos your the best thing that ever happened to me,
Oh your the best thing that ever happened to me.

There have been times,
when times were hard,
but always somehow I made it, I made it through,
But for every moment that I've been hurtin',
there's been a moment, that I've spent.....
Oh just loving you,

If anyone should ever write my life story,
for whatever, for whatever reason there might be,
you'd be there, between each line of pain and glory,
Cos your the best thing that ever happened to me,
Oh your the best thing that ever happened to me,
don't you know, your the best thing....
Oh that ever happened,
to me.
