Every little bit
Every little bit
Every little bit hurts
Yeah, yeah, woo oh woh

Every little bit hurts
Every little bit hurts

Every night I cry
Every night I sigh
Every night I wonder why
You treat me cold
Yet you won't let me go

Every little hurt counts
Every little hurt counts
You say you're coming home
Yet you never phone
Leave me all alone

My love is strong for you
I'd do wrong for you
I can't take this loneliness you've given me, no
I can't go on giving my life this away

Oh, come back to me, darling, you'll see
I can give you all the things that you wanted before
If you will stay, stay with me, ooh yeah

Every little bit hurts
Every little bit hurts

To you I'm a toy and you're the boy
Who has to say when I should play
Yes, you hurt me, desert me
I can't take it, no
I can't take this loneliness you've given me, no
I can't go on giving my life this away

Oh, come back to me, darling, you'll see
I can give you all the things that you wanted before
If you will stay with me, yeah

Every little bit hurts
Every little bit hurts
Every, every, every, every little bit hurts
Every little bit hurts, baby
Every little bit hurts
