Ooh, I love you so  
But why I love you, I'll never know  
You found a reason for leavin'  
Soon as I gave my love to you

And oh, ah, whoa, the pain you put me through  
You don't care 'bout my love for you, huh  
But I found a reason for livin'  
And I'm through with cryin' over you

And now I feel a song in my heart again  
I knew as soon as I felt him lookin' through me  
I feel a song in my heart again  
High on the wings of the things he's doin' to me

Oh, that a man is fine  
Ooh, what's even better the man is mine  
He makes me feel just like a woman  
Something that you could never do

And now I feel a song in my heart again  
I found a man who can out it all together  
I feel a song in my heart again  
I'm gonna love him and make it last forever

Our worlds have come to an end  
I feel a song in my heart again

Oh, oh, oh, it feels so good  
You, you, you, you, you never understood  
He makes me feel like I'm somethin'  
And I'm gonna keep him if I can

I know I feel a song in my heart again  
Now I can open my eyes to a new door  
I feel a song in my heart again  
The man is all that I need to fill my love up

I feel a song, ooh, what a feelin'  
I feel it takin' me higher and higher  
I feel a song in my heart again  
His kind of lovin' I can never get enough of

I don't need your lovin' 'cause I got his lovin'  
Woo, I feel a song again  
Ooh, y'all, I've been born again, ooh  
(I feel a song in my heart again)  
(Feel it)

I feel a song in my heart again  
I've got to tell you  
He's twice the man that you were  
I feel a song in my heart again
