You're just smiling this morning
All of your love is wishing you well
Your tears made you swell
So make yours a happy home

Ooh, with the love at sight
I got a happy crowd
All on my will, has made me a way
I've got love today
So just make yours a happy, happy home

I wanna do you right
You love me out of sight
I wanna be what pleases you
So long is there is peace with you
That's all I can do

So let us make yours a happy, happy home
Make yours a happy home

Do-do-do
We can do it, we can do it, we can do it now, baby
Do-do-do, aaah, yeah

I get full of pride and so sanctified
You don't have to be for me
No superstar

I love you just the way you are
So won't you make yours a happy home
Make yours a happy home

I wanna do you right, love me out of sight
I wanna be what pleases you
So long is there is peace with you
That's all I can do

So let us make yours a happy, happy home
Make yours a happy home
Do-do-do
We can do it

Uh, We can do it now, baby
Do-do-do
Ay-ay-ay, yeah

Ah, yeah, with the love at sight
I got a happy crowd
All on my will, has made me a way

I've got love today
So just make yours a happy home
Make yours a happy home

Do-do-do-do
We can do it, uh, we can do it now, baby
Do-do-do-do
Yeah-eh, yeah-ah-yeah

I get full of pride and so sanctified
You don't have to be for me
No superstar

I love you just the way you are
So won't you make yours a happy home
Make yours a happy home

Ooh baby, we can make it
Ooh baby, we can make it
Ooh baby, we can make it
