It's sad to think we're not gonna MAKE IT
And it's gotten to the point
Where we just can't fake it
For some ungodly reason
We just won't let it DIE

I guess neither one of us
Neither one of us wants to be the first to say good-bye

I keep wondering
Wondering
What I'm gonna do without you
And I guess you must be wondering the same thing too
So we go on
Go on together
Living a lie

Because neither one of us
Neither one of us wants to be the first to say good-bye

Everytime I find the nerve
Everytime I find the nerve to say I'm leaving, OLD
MEMORIES
Those old memories
Get in my way

Lord knows it's only me
Heaven knows it's only me
That I'm deceiving

When it comes to saying good-bye
That's a simple word that I just cannot say

There can be no way
There can be no way
This can have a happy ending
No, no
So we just go on
Hurting and pretending
Convincing ourselves to give it just one more try

Because neither one of us

Neither one of us wants to be the first to say
Neither one of us wants to be the first to say
Neither one of us wants to be the first to say
Farewell my love
Goodbye
