Yeah, mmm, yeah  
Do you know that some folks know about it, some don't  
Some will learn to shout it, some won't  
But sooner or later baby, here's a ditty  
Say you're gonna have to get right down to the real  
nitty gritty  
Now let's get right on down to the nitty gritty  
Now one, two nitty gritty  
Now yeah, mmm, nitty gritty now  
Oooooo-wee, right down to the real nitty gritty  
Oooooo-wee, can you feel it double beatin', I keep  
repeatin'  
Get right down to the real nitty gritty  
Say it again double beatin'  
Get on down, we gotta get right down to the real nitty  
gritty  
Let's get, let's get right on down to the real nitty gritty  
It's all right, it's all right  
Get on down, get on down  
Get right down to the real nitty gritty  
Listen to me now  
Oooooo-wee, ooowee  
Come on and let the good times roll  
Let the music sink down in to your soul  
Double beatin', keep repeatin'  
You gotta get right down to the real nitty gritty  
Get on down, get on down  
Talkin' about the nitty gritty  
Get on down, get on down
