I've had my share
Of life's ups and downs
But fate's been kind
The down's have been few
Oh I guess you can say that
I've been lucky
Or I guess you can say that it's all because of you

If anyone should ever write my life story
For whatever reason there might be
you'd be there between each line of pain and glory
Cause your the best thing that ever happened to me

Oooh there have been times when times were hard
but always somehow i made it through
cause for eveyery moment that i spent hurting
their was a moment that i spent on just loving you

(Chorus)
